NOTICE - GUEST TESTING ON SARS-Cov-2 (COVID 19)

The Tourist Board of the Municipality of Podgora, in cooperation with the general medicine practice of Dr. Darko Granić in Podgora, according to the instructions of the Ministry of Health of the Republic of Croatia, provided PCR testing for the SARS-CoV-2 virus. Testing is performed in the clinic at the address Put Svetog Vicenca 1, 21327, Podgora, only with a previously agreed date with the clinic on the phone number: 0915679955. It is desirable to order via WhatsApp or Viber, by sending data (name and surname of the guest, ID number) and can also be ordered by phone call via the specified number. With assigning an appointment by the clinic, testing is considered as ordered. Since the test results require a period of 24 hours and the tests have a value of 48 hours, it is recommended to arrange testing at least 48 hours before the departure of the guest. Testing over the weekend (Saturday and Sunday) is not possible. It is mandatory to wear a mask and guests prove their identity by presenting an ID card or passport.
